Technical Skills

 Python: Computer Vision

 Matlab

 R and statistics

 SQL and data handling

 CAD: Solidworks and Fusion

 Abaqus FEA

Working Experience

Jan 2024 – ongoing	Research Engineer	Laboratory for Orthopaedic Biomechanics
	Biomechanical testing of novel surgical techniques	
Jan 2024 – ongoing	Lead Tutor for the Laboratory Course in Medical Technology	ETH Zurich
	Boneplate design and testing: CAD → FEA → Material Testing → Biomechanical Testing	
Sept 2023 – Jan 2024	Pyhsical Education Teacher	Sekundarschule Spreitenbach
	Substitute teacher for PE in secondary school	
Feb 2023 – Sep 2023	Health Coach	CARE
	Consulting and coaching clients based on blood samples and other health measures	
June 2022 – Aug 2022	Research Internship	Mechanical Engineering - UA
	Creation of a finite element head model using medical images	
Oct 2021 – May 2022	Production Engineer Intern	BIOTRONIK AG
	Leading Medical device company (cardiovascular and endovascular implants); test method validation; development of test instructions; data analysis of material usage decision trends	
Jun 2019 – Aug 2021	Mathematics Tutor	Zürcher Nachhilfe
	Provide individualized instruction and guidance to students to help them improve their understanding and performance in mathematics	
Sep 2019 – Feb 2020	Mathematics Teaching Assistant	ETH Zurich
	Summarize the content of the lectures and help students with their weekly self-study. Teaching Assistant to Prof. Farkas	
Sep 2016 – Mar 2018	Client Advisor	Helsana AG
	Daily interaction with customers and using their feedback to improve the Helsana+ app	

Education

University

2021 – 2023	Master in Medical Technology (Ø 5.54)	ETH Zurich
	Key courses: Biomechanics, Biomedical Engineering, Machine Learning, Finite Element Analysis, Laboratory Course in Movement Biomechanics, Soccer Analytics	
	Master Thesis (Ø 5.75)	ETH Zurich and University of Aveiro
	Creating a 2D tau protein propagation model and exploring the quantification of brain tissue volume in female brains in relation to age	
2018 – 2023	Teaching Diploma in Physical Education	ETH Zurich
	Theoretical and practical education in various sports	
2018 – 2021	Bachelor in Health Sciences and Technology (Ø 5.28)	ETH Zurich
	Focus: Biomedical Engineering, Medical Technology	

School

2013 – 2016	Bilingual Business and Law High School (Ø 5.5)	Kantonsschule Hottingen
	Immersive high school program for bilingual students interested in business and law	
2012 – 2013	Exchange Year in South Africa (English/Afrikaans)	High School Piet Retief
	Exchange Year in Piet Retief, South Africa
